Salary + benefits

You may have not considered this before, but you could be using your life experience to help change someone else's life. **(ATTENTION)**

We're looking for someone to join our team to promote and arrange daily activities for our elderly clients. This is about empowering our clients to live full and active lives as much as possible. You maybe encouraging them to interact and participate in group activities or providing one-on-one sessions where you'll assist them to continue, share or simply talk about their personal hobbies. This is a role where great negotiation, communication and motivation skills will prove invaluable. **(INTEREST)**

You don't need specific qualifications. In fact if you've supported or looked after a family member in a personal capacity then you may have all the experience we need. We're looking for someone with a positive attitude, who is keen to meet new people and who can talk to anyone. **(DESIRE)**

If you're looking for a rewarding career where you can really see the benefits as you work, then click here to apply. You can also find out more about (Your Organisation) in the Employer Directory section of this website. **(APPLICATION)**
